

BBC Domesday Project — Sources

This document lists the primary and secondary sources cited in the case study.

Primary Sources — Domesday Recovery Project

- Darlington, Jeffrey; Finney, Andy; & Pearson, Andy (2003). "Domesday Redux: The Rescue of the BBC Domesday Project." RLG DigiNews 7(5).
 - First-hand account of the emulation project and recovery process.
 - UK National Archives & University of Leeds (2004). The Domesday Book Online.
 - Web-based interface to the recovered BBC Domesday Project data.
 - BBC (2003). "Domesday Reloaded." BBC News, December 2, 2003.
 - News coverage of the successful emulation and recovery.
-

Digital Preservation and Emulation

- Ross, Seamus & Gow, Ann (1999). Digital Archaeology: Rescuing Neglected and Damaged Data Resources. British Library Research and Innovation Report 110. London: British Library.
 - Early digital preservation research; includes Domesday case study.
 - Ross, Seamus (2000). "Changing Trains at Wigan: Digital Preservation and the Future of Scholarship." NPO Preservation Guidance: Occasional Papers. London: National Preservation Office.
 - Broader context for digital preservation challenges.
 - Holdsworth, David & Wheatley, Paul (2001). "Emulation, Preservation, and Abstraction." RLG DigiNews 5(4).
 - Technical discussion of emulation as a preservation strategy.
-

LaserDisc Technology

- BBC & Acorn Computers (1986). Domesday Project Technical Specifications. Internal documentation.
 - Original technical specs for the BBC Domesday Project hardware and software.
 - Philips Electronics (1980s). LaserVision Technical Manual.
 - LaserDisc player specifications and data encoding.
-

The Original Domesday Book (1086)

- UK National Archives. Domesday Book (1086). London: The National Archives.
 - Original medieval manuscript; available for viewing in the National Archives.
 - Hallam, Elizabeth M., ed. (1986). Domesday Book Through Nine Centuries. London: Thames and Hudson.
 - Historical analysis of the original Domesday Book and its preservation.
 - Roffe, David (2000). Domesday: The Inquest and the Book. Oxford University Press.
 - Scholarly study of the creation and purpose of the 1086 Domesday Book.
-

Digital Preservation Theory and Practice

- Rothenberg, Jeff (1999). "Avoiding Technological Quicksand: Finding a Viable Technical Foundation for Digital Preservation." Council on Library and Information Resources.
 - Seminal paper on digital preservation challenges; advocates for emulation.
 - Lynch, Clifford (1999). "Canonicalization: A Fundamental Tool to Facilitate Preservation and Management of Digital Information." D-Lib Magazine 5(9).
 - Framework for managing format diversity and obsolescence.
 - Lavoie, Brian (2014). "The Open Archival Information System (OAIS) Reference Model: Introductory Guide," 2nd ed. Digital Preservation Coalition.
 - Standard model for digital archiving and long-term preservation.
-

Format Obsolescence and Migration

- Lawrence, Gregory W., et al. (2000). "Risk Management of Digital Information: A File Format Investigation." Council on Library and Information Resources.
 - Analysis of file format longevity and obsolescence risk.
 - Digital Preservation Coalition (2008). Preservation Management of Digital Materials: The Handbook. York, UK: Digital Preservation Coalition.
 - Comprehensive guide to digital preservation strategies.
-

Analog vs. Digital Longevity

- Brand, Stewart (1999). The Clock of the Long Now: Time and Responsibility. New York: Basic Books.
- Philosophical and practical discussion of long-term thinking; includes digital vs. analog preservation.

- Gladney, H.M. (2007). Preserving Digital Information. Berlin: Springer.
 - Comprehensive technical and policy discussion of digital preservation.
-

CIF and Technological Context

- Conway, Paul (2000). "Overview: Rationale for Digitization and Preservation." In Handbook for Digital Projects: A Management Tool for Preservation and Access. Andover, MA: Northeast Document Conservation Center.
 - Context for digitization as both access and preservation strategy.
 - Thibodeau, Kenneth (2002). "Overview of Technological Approaches to Digital Preservation and Challenges in Coming Years." In The State of Digital Preservation: An International Perspective. Council on Library and Information Resources.
 - Comparative analysis of migration, emulation, and other preservation strategies.
